Interest Rates and Borrower Support

Following the recent decrease in the Bank of England base rate, the Society is undertaking a review of interest rates paid to savers and charged to borrowers.

When decisions are made they will be communicated to members either by personal notice, branch notice, website update, or on social media.

Borrowers will continue to be supported by the Society and those who need financial support and / or wish to review their current product interest rate should contact the Society for assistance by email, telephone or by visiting www.esbs.co.uk/contact-us.
